NB: It is told that the chataka bird will drink only raindrops as they fall during the rains. It does not relish any other water. The idea is that both the peacock and the chataka feel happy at the sight of clouds but become miserable in the absence of the rain. Likewise, waiting for God alone to make us happy seems to be in vain after prolonged search and spiritual practice not yielding its fruit.

Bowing to Thee with joined palms, I pray, give me Liberation. O Powerful One, Great Radiance, I bow to Thee.

VEDĀNTA VĒNAL

vēdānta vēnalilūṭe
oru nādānta pānthanalaññāl
nī tān tuṇaykkum avane enna
gītārttham ippōzh eviṭē? (vēdanta)

Now where is the truth of the Gita that proclaims that Thou wilt help a traveller to Brahman through the summer of Vedanta?

śāntātmanā pada prāptikkayi
kāntārasāmyapathattilkkūṭi
nīntān tuṭaṅgi ennālum
chīntunnū chittam vyathayāl (vēdanta)

Even though I am swimming through the forest-like way with a peaceful soul, for the attainment of Thy Feet, my mind is filled with sorrow.

entinō vēndi hṛdantam sadā-
venturukunnārtta bandhō...
chinta ninakkitilillē ente
santāpamokkeyum māttān (vēdanta)

O Friend of the miserable, my heart is always burning for something, I know not what. Haven't Thou the mind to remove all of my sorrows?

ammē bhagavatī dēvī ninte
chinmōhana svarūpattil
vannulayikkāte śāntiyil-
ēnammē aṛiyunnatillē? (vēdanta)

O Mother, O Bhagavati Devi, aren't Thou knowing that without merging in Thy mind-enchanting Being, there is no peace?

mama janma vidhi pālinī jananī..... jananī....!

O Mother, what may be the reason that this humble heart of mine has been destined to languish under extreme grief? O Mother, Dispenser of my fate, will my long standing hopes finally prove in vain? Shall Thou not bless me with the darshan of Thy adorable Feet?

veṛumoru kaṭalāsu pūvupōlenne nī

vinayattin azhivillahō! nin pāda-
smaraṇāyi korazhi villahō! (vinaya)

Art Thou forsaking me as a lifeless paper flower that is languishing under the heat of the sun? Though without beauty, color or fragrance, this flower is ever steady in its humility and the continued adoration of Thy Feet.

charitārtthanākaṭṭe! ñan nin tirusnēha-
parilāḷa nāsvādanattāl
charaṇāra vindattin taṇalāṇ enikkennum

Mother, may I be blessed with the enjoyment of the caresses of Thy noble love. O Mother, the Ocean of Immortal Bliss, the shelter of Thy Lotus Feet is my refuge for all times...O Mother, Support of my life!

VIŚVA VIMŌHINĪ

viśva vimōhinī anaśvara rūpiṇī
śāśvatānandam nalkû śakti rūpinī

O Enchantress of the Universe, Indestructible One, grant us the Eternal Bliss, O Thou Whose Form is Energy.

kaliyuga kalmaṣama kalānāyi
kāraṇa vastu vilaṇayānāyi
kāminī kāñchana bhōgā śakti-
kaḷakalekkaḷayū marttyā! (viśva vimōhinī)

O mankind! Throwing away lust, greed and the desire for enjoyment, be rid of the sins of the Kali Yuga and unite with the Supreme Cause.

mahatvamēṛum māna vajanmam-
iteṭuttatentinu nammaḷ?
aṭutta janmam atilātāyi
viśuddha vastuvilettān

taṭuttiṭū nī mānasa bhikṣuve
pañcha gṛhangaḷil ninnu (viśva vimōhinī)

For what have we taken this noble human birth? In order to reach the Pure Being and avoid another birth, prevent the wandering mendicant of the mind from entering the house of five elements.

rāvum pakalum itorupol layicha rāmakrishna
deva vedānta sāgara tirakaluyarttiya viśva kesariyē
pavitra pāvana māmā pātayi livare nayikkyaname

O Lord Ramakrishna who is immersed in That day and night, O Light of the Universe who raised the waves of the Ocean of Vedanta, deign to lead these people along the holy and purifying path.

pala matasāravum onnennōtiya paramasadguruvē
paramārtthaṅgaḷeyaṛiyā tuzhalunnivarkku trāṇitarū
pavitra pāvana māmā pātayi livare nayikkaṇamē

O Supreme Sadguru who told that the Essence of all religions is the same, strengthen those who wander, not knowing the Truth. Deign to lead them along the holy and purifying path.

VIŚVAVIMŌHINIYĒ

viśvavimōhiniyē mahēśvari

Oh Enchantress of the Universe! Great Goddess, I bow to Thee. I will bow ever at the Feet of the One who destroys the sorrows.

kāḷamēghatte vellum niṛa

Your black color surpasses the back color of the clouds. Your eyes are like the flower petals. Why then do You wear that garland around your neck?

puṣpangaḷ alla raktam
vamikkunna vaktrangaḷallēyatu?
śilppikaḷāru tīrttū manōhara
mugratayārnna māla!

Your garland is not made of flowers but of skulls oozing blood. Which sculptor was it who made that very beautiful garland?

āravamōṭaṭutta dārikane
pārāte konnōr ammē?
chōrakkaḷattilaṭan rasamēṟān
kāraṇam chōlliṭāmō?

Oh Mother, who killed the arrogant Darika, tell me Oh Mother why do You love to dance in the pool of blood?

mallare velluvānāy
āyudham ēttam karattilundu.
chollu chollagniyentē
nētrangaḷilujjvali pichhiṭunnu?

To conquer the giants You have a weapon in Your hand. Please tell, tell me why is there such a fire in Your eyes?

āṭunna pānpaṇiyān ammaykk
ēttamāhlādam entu kondu?
ābharaṇangaḷ ētum
dharichiṭṭum ārtti naśicchatillē?

Why are You elated to wear a live snake around Your neck? Was Your desire for ornaments not satiated by all Your other ornaments?
